

Galaxies
Evening Service
5 November 2006
Service by Fergus Collinson & Pete Cowley

Welcome:

Welcome to our All souls day reflection service tonight.

The title of our service tonight is "Requiem: The city called Heaven" and is a remembrance on those you have known, loved or cared for who have passed on.

The Kingdom of Heaven is righteousness and Peace and Joy in the Holy Spirit.

Galaxies candle Lighting

**In honour of those we have known and love even though no longer with us
In recognition of the gifts and sacrifices they have made on our behalf
and in our sincere hopes that we may be worthy of their memory
we light our candle
and give thanks
and we offer our prayers. Amen**

Rememberances of people you cared about

We each tell our stories and remember the ones who have died but who we honour and remember.

Prayer for the departed

All:

God of indeterminate width, breadth, depth and love,
I am in you and you are in me.
and so too are memories of departed loved ones.
I remember and acknowledge, today particularly, my departed friends, family and acquaintances ...
and my beloved pets too!
For in my remembering
so they shall live
in me, and in you
and you in all of us.
Amen
